25X1 4. [ ] Blandford commented that this had been a most instructive visit for him and he felt that it was an excellent installation with the highest calibre of people. He has so reported this to Chairman Vinson and plans to do so with Mr. Rivers.

25X1 5. [ ] For several days have attempted to see Representative Gerald Ford in connection with some information he had requested. Will try to see him tomorrow.

25X1

25X1 7. [ ] Met with members of the staff of House Post Office and Civil Service who advised that although the chairman had been prepared to go on the floor this week to attempt unanimous consent approval of H. R. 5932, such action had not been possible. The Staff Director, Mr. Charles Johnson, was advised by Mr. Gross that he would take exception to passage by unanimous consent.
